**I am a user experience designer who thrives on an open, collaborative environment. Utilizing my communication and research skills, I uncover deeper underlying problems to create innovative solutions.**

## Experience

### AstraZeneca

UX Designer (3 Month Contract) Jun 2023 to Sep 2023  
Introduced the design thinking process and activities to business stakeholders. Planned and as-sisted in running design thinking workshops. Utilized the direction decided upon in workshops combined with research findings to create clickable prototypes for future usability testing. Assist-ed other UX designers in understanding requirements from user interviews held in Japanese.

### Santander Consumer USA

UX Designer II Sep 2018 to Jun 2022

Spearheaded a project to research, design, and test a user interface that would allow customers to understand simple interest for car loans and make informed financial decisions. This project won most innovative case study at our internal design summit for simplifying and visualizing complex information. Collaborated with developers, stakeholders, UX researchers, and other designers to research current processes, created prototypes, then determined efficacy through usability testing. Promoted dialogue and broad understanding of designs through weekly wireframe reviews. Advocated for maintaining sustainability and ethical business practices. Recognized with marketing department's quarterly Creativity Award.

### Links HME Cloud Software Solutions

Lead UX Designer Aug 2017 to May 2018

Researched, designed, tested, and worked with developers to implement Links HME's website. Carried out user testing with customer service and billing specialists to find key pain points. Spearheaded a research-centric design process through usability testing and collaborating with key stakeholders. Translated user needs into workflows to ensure the software streamlines delivery of medical supplies to patients on time.

### JET Programme

Assistant Language Teacher Aug 2013 to Jul 2015

Taught as an Assistant Language Teacher at Toyooka Junior High School. Developed communicative and cultural activities for preschool to third year junior high school students.
